

MEMORANDUM

TO: Mayor and City Councilors
FROM: Rich Olson, City Manager
Paul Fredette, Director of Public Works
DATE: January 9, 2013
REF: Consideration - Bell Street No Parking Signs

BACKGROUND:

About 12 to 15 years ago, the minister at the Pentecostal Church on Bell Street requested that "No Parking" signs be put up to keep parked cars from blocking the front walkway out of the church. On Bell Street, these "No Parking" signs are about 10 to 15 feet apart.

ANALYSIS:

The Pentecostal Church no longer holds services at this location. Their services stopped about a year ago. The signs no longer serve the intended purpose; and in fact, contribute to sign pollution along our City streets.

STAFF RECOMMENDATION:

By motion, direct the City Manager to remove the two "No Parking" signs on Bell Street that are located in front of the Pentecostal Church.
