

MEMORANDUM

To: Finance Committee
From: Rich Olson, City Manager
Date: August 20, 2013
Re: Consideration-Schedule Finance Committee Meeting to Hear Community Support Grant Applicant Presentations

BACKGROUND:

Last Friday was the deadline for Community Support Grant applications. A total of 12 new applications were received. Adding the two grants the City Council already provided to the AAU basketball teams brings the total applications for fiscal year 2013-2014 to 14.

Attached you will find a spreadsheet, which indicates the name and amount requested from each group/organization. The total amount requested is \$73,400 including the amount already provided to the AAU teams. At last one of the groups does not appear to meet the requirements for funding.

ANALYSIS:

During the City Council meeting held on August 12, 2013, the Council elected to have the Finance Committee hear the presentations by each grant applicant and formulate a recommendation for the Council's consideration. However, the Finance Committee meeting is to be held at 5:30 p.m. in order to allow all Councilors to attend.

STAFF RECOMMENDATION:

For the Finance Committee to schedule a meeting to hear presentations by each grant applicant at 5:30 p.m.
