

MEMORANDUM

To: Finance Committee

From: Rich Olson, City Manager

Date: October 22, 2013

Re: Consideration – Extension of Street Sweeping Agreement with the NC Department of Transportation

BACKGROUND:

Since 2006, the City has had a contract with NCDOT to sweep all NCDOT roads within the City limits. Prior to 2006, the state took bids from private contractors to sweep the streets. NCDOT specifically required that their contractor only sweep the street three times per year. Staff believes that these roads should be swept at least six times per year. The lack of sweeping has caused catch basins to become filled with dirt and debris and leaves the City dirty looking.

ANALYSIS:

NCDOT has determined that there are approximately 36.3 shoulder miles of state-system roads within the City. NCDOT requires that all its roads be swept a minimum of three times per year and will pay \$172.95 per shoulder mile or \$18,834.26 annually. (The \$172.95 rate reflects actual bids that NCDOT received when the contract was bid.) The agreement with NCDOT automatically renews unless NCDOT cancels the agreement with 30 days notice. NCDOT will reimburse the City once we submit an itemized statement to them.

STAFF RECOMMENDATION:

By motion, recommend that the City Council authorize execution of the attached street sweeping agreement with NCDOT by City Manager Rich Olson.
